

1968

AUSTRALIAN WOMEN'S ROWING CHAMPIONSHIPS

Conducted by

The Victorian Ladies' Rowing Association

On behalf of

The Australian Women's Rowing Council

YARRA YARRA RIVER, MELBOURNE

APRIL 27th & 28th, 1968

Souvenir Programme 20c.

This year The Victorian Ladies' Rowing Association is Host State for the 1968 Australian Women's Rowing Championships and on behalf of my Association, I would like to extend to you all, a very warm welcome.

We have with us over this weekend, competitors from four States who will compete in the Interstate events and from many individual clubs who will compete in the National Championships.

This is a very important year in Australian women's rowing for two reasons - firstly, the Australian Women's Lightweight Four-oared Championship for State representative crews is being held for the first time, and secondly, a number of National Championships which are open to club crews are being held for the first time. We hope that these new events will provide further interest in the sport as it appears to have done already this year.

On behalf of The Victorian Ladies' Rowing Association I would like to wish all competitors good rowing and thank our spectators for their support.

May Laird,
President.

THE VICTORIAN LADIES' ROWING ASSOCIATION

1967-68

- 3.00 pm. National Hwt. Junior Pair Oar Championship
- 3.15 pm. National Hwt. Junior Sculls Championship

AUSTRALIAN WOMEN'S LIGHTWEIGHT FOUR-OARED
CHAMPIONSHIP

Last Year The Australian Women's Rowing Council decided to expand the program of events for Australian Championships to cater for the increasing number of girls in the sport now.

The event finally decided upon which should be introduced was the Lightweight Four.

The weight limit for this event is an average weight per competitor of 9 stone but 50% of the crew may weigh up to 9 st. 3 lbs.

We are hopeful of this event being an interesting one and an event which will increase activity in the lightweight classes in each State.

AUSTRALIAN WOMEN'S SINGLE SCULLS CHAMPIONSHIP

This event was first contested in Brisbane, in 1963 and has been held each year since then.

The introduction of single sculling events at National level has led to gradually increasing competition in the sculling field in all States and a consequent rise in our standard of sculling.

AUSTRALIAN WOMEN'S FOUR-OARED CHAMPIONSHIP

This event was first contested in 1920 and has been competed for each year since then with the exception of the years during, and immediately following World War II.

In that time there have been some very closely fought races and an ever present high standard of rowing.

We hope that today's race will emulate that record.

The presentation of trophies for the events
you have just seen will take place at the
Melbourne Rowing Club.

At the same time, we invite you to join us
for afternoon tea.

JANUARY

NATIONAL CHAMPIONSHIPS

During the past year, The Australian Women's Rowing Council has decided to hold National Championships on the day following, and on the same course as the Australian (Interstate) Championships.

These events are open to entries from all affiliated Australian clubs and this year you see the first of these regattas.

We hope that by providing events at National level for our "up-and-comers" particularly in the Junior ranks, our overall standard will improve.
