AUSTRALIAN ROWING CHAMPIONSHIPS

SPONSORSHIP

Any national sporting event of the size of the Australian Rowing Championships cannot be conducted without the assistance of many individuals and organisations.

Apart from the invaluable support given by those mentioned on page 8, we are indebted to five wonderful Australian companies whose generosity in acting as sponsors has enabled this National Regatta to be conducted.

The companies, who so willingly rallied to our support are:-

Ampol Petroleum Ltd.

Coca-Cola Export Corporation

Marrickville Margarine Pty. Ltd.

R. W. Miller & Co. Pty. Ltd.

Sidney Raper Pty. Ltd.

To every oarsman competing at Penrith, to every rowing club and school throughout the Commonwealth, the National Regatta Committee exhorts you to show your personal appreciation to these companies by supporting their products and using their services.

In this Bi-Centennial Year the N. S. W. Rowing Association, on behalf of the national body expresses sincere thanks for the confidence they have shown in our great sport.

MESSAGE FROM THE NATIONAL PRESIDENT

The Australian Amateur Rowing Council is most impressed with the strong support afforded by clubs throughout Australia towards this fifth biennial National Regatta.

On behalf of the Council, I extend a warm welcome to every oarsman and official, and trust that fair conditions and racing prevail, and that the best crews on the day achieve success.

The results will be evaluated by the Council's Grading Committee in conjunction with the results from the recent King's Cup Regatta held at Lake Wendouree. It is hoped that, following ratification by the Council, a team of worthy oarsmen and officials can be sent to the World Championships to be conducted at St.

Catherines, Canada in September. St. Catherines was the scene, only three years ago, when our eight-oared crew won silver medallions against a very strong international field at the Canadian Centennial Regatta. The Australian four with coxswain achieved even greater success, winning gold medallions at the North American Championships.

These successes were followed by the sparkling effort of our 1968 Olympic eight-oared crew, which also won silver medallions after a classic struggle with West Germany in the final, lowering their colours by a mere .9 of a second.

To oarsmen who win National titles at this regatta, and the elite corps who achieve selection in the Australian team for Canada, I express congratulations on behalf of my Council, and trust that success will follow what will certainly be a strenuous training programme leading up to Canada.

This National Regatta is also notable in that we welcome again to Australia a touring New Zealand team comprising a number of "colts" crews which will race at various regattas in New South Wales during their visit.

This tour replaces the normal Ampol Series, which has been temporarily suspended with approval of the two National Councils, due to training commitments by both nations in preparation for the 1970 World Championships.

We wish fellow-oarsmen and officials from New Zealand a most pleasant stay in Australia, and success according to their ability. I am sure I speak for all rowing adherents throughout Australia in saying that the Nepean River course offers one of our premier venues for fair rowing, and that the regattas in the hands of the NSW Race Officials Association will leave nothing to be desired.

Finally I wish to record appreciation to those members of the NSW Rowing Association who have worked conscientiously and hard on the organising committee to ensure the success of the fifth National Regatta. The Australian Amateur Rowing Council is greatly obliged for this further support from the committee, the Association executive, and the valued commercial supporters who have assisted to make the regatta possible.

WELCOME TO OUR VISITORS

On behalf of the N. S. W. Rowing Association, the Organising Committee of the 1970 National Regatta would like to extend a warm welcome to crews from all States of Australia who have entered in the various Australian Championships.

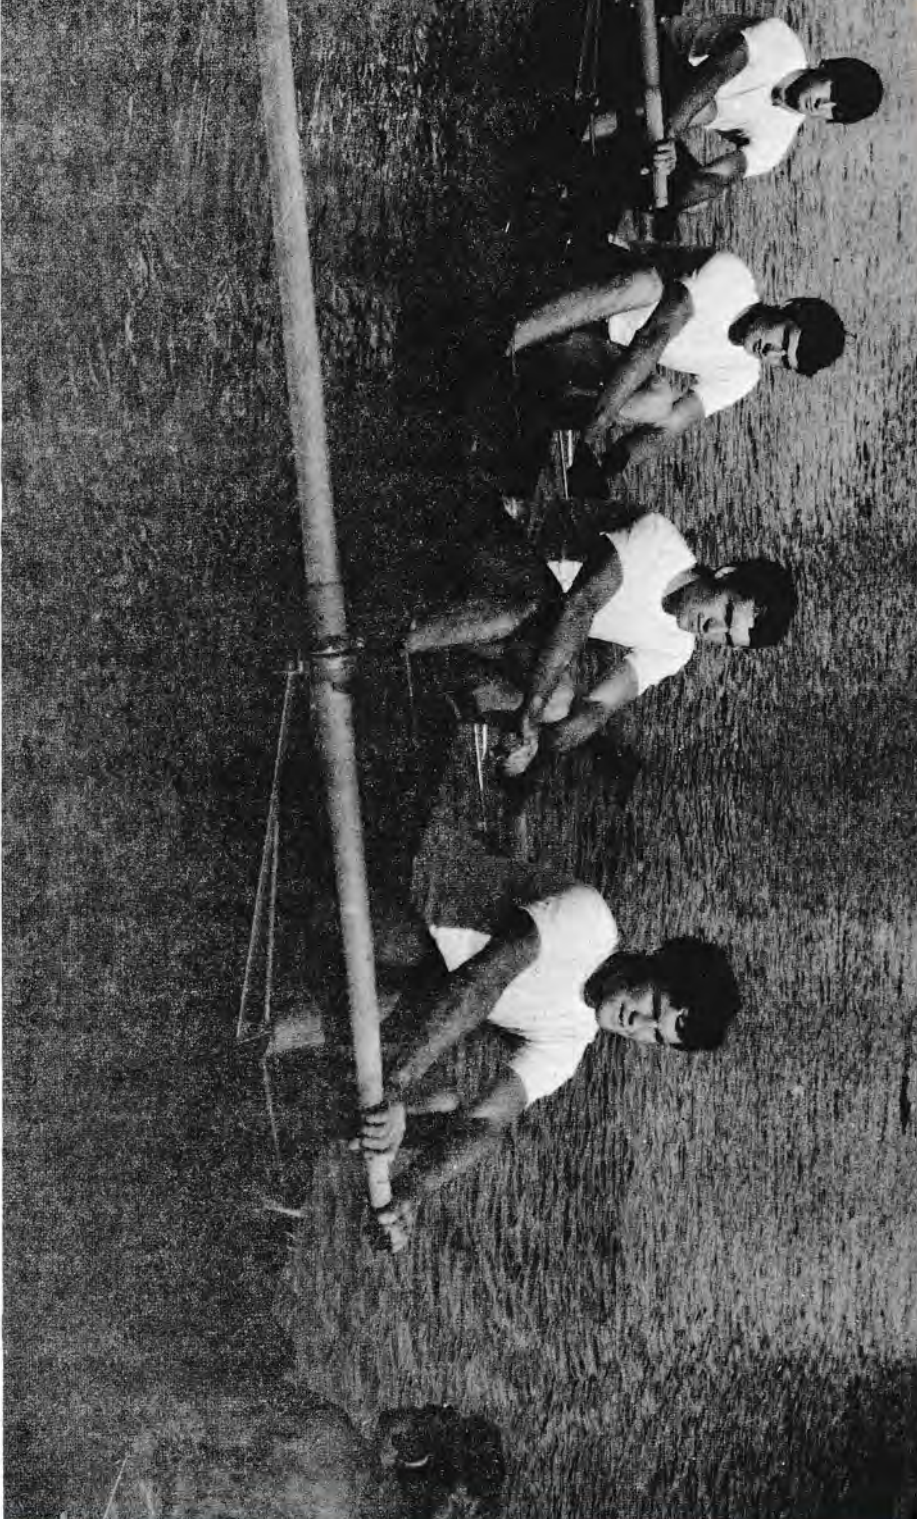

In particular we would wish our Overseas Visitors a happy and successful Australian Tour. The New Zealand "Colts" team coached by Rusty Robertson (Coach of the Gold Medal Coxed Four at the 1962 Commonwealth Games, and the New Zealand Gold Medal Eight at the 1967 North American, U. S. A., and Canadian Championships), and managed by former New Zealand Pairs Champion Ted Lindstrom, are all young men under 23 years of age. The selection of "Colts" and giving them the opportunity to compete in International events is new to rowing, but not new to Rugby in New Zealand. One of the team members S. Dickie has already won himself a Gold Medal at the Mexico Olympic Games.

The oarsmen come from both Islands of New Zealand in the Eight. B. Johnston is from Oamaru, F. O'Gorman Whakatane, R. Murphy from St. George Club Auckland, S. Sutherland Union Club Wanganui, W. Quinn Petone, R. Deleevir Hamilton, S. Byrn Oamaru, G. Minnell Aramoho Wanganui, S. Dickie Wellington, the Coxed Four members are D. Lindstrom Whakatane, G. Robertson Oamaru, E. Earl Avon Christchurch, B. Rae West End Auckland and the Coxswain P. Lindsay is from Oamaru.

Our other visitors I. Balsma, E. Bredie and J. White Cox and their Coach A. L. May are from the Manila Boat Club and are the first oarsmen from the Phillipines to race at Regattas in Australia.

NOTICE TO COMPETITORS

COMPETITORS MUST BE IN THE STARTING BAY
FIVE MINUTES BEFORE
THE TIME APPOINTED FOR STARTING.

SIGNAL TO START - The Starter shall order 'ARE YOU READY' and after a marked pause, he shall order the start - saying 'GO' and simultaneously lowering his flag.

If the Starter considers the start unsatisfactory, he may, within 20 seconds thereafter, recall the competitors to their Stations.

The signal recalling competitors shall be by ringing a bell and raising his red flag.

Any competitor responsible for two false starts shall be excluded from the race.

In the event of any breakdown of an oar or boat during the first half-minute's rowing, the race shall be stopped and re-started from the original point.

Any crew or sculler leaving its or his true course during the race, and thereby impeding by its or his wash any other competing crew or sculler, shall be liable to disqualification. A boat's true course is the shortest way to the winning post, leaving room for all opposing boats to come up level in the position in which they started.

Should the Umpire find it necessary to warn a competitor about to prejudice another competitor, he shall call the competitor by name and direct the competitor with his white flag.

Should the Umpire wish to stop a race, he shall raise a red flag and ring a bell.

FINISH - The signal to finish shall be by GUNFIRE.

STARTING STATIONS ARE NUMBERED FROM THE WEST-EMU PLAINS BANK - i. e. the side nearest the Judge.

COXSWAINS AND LIGHTWEIGHT OARSMEN - Shall weigh in at the Melrose Hall, Great Western Highway, Emu Plains.

Coxswains and lightweight oarsmen of each winning crew which qualify for the Finals will be weighed in by the Clerk of Scales or his Deputy after each event.
