National Selection Trial and

Regatta

Lake Wendouree, Ballarat

By permission of the City of Ballarat.

Conducted by the Victorian Rowing Association
under the racing code of the Australian Rowing
Council Inc.

Friday 14th to Sunday 16th February 1986

Notice to Competitors

COMPETITORS MUST BE IN THE STARTING BAY FIVE MINUTES BEFORE THE TIME APPOINTED FOR STARTING THEIR EVENT.

Competing Boats: The bows of all competing boats shall be fitted with a white ball 4cm. in diameter in soft rubber or similar material unless the bow is so constructed as to afford equivalent protection and visibility.

Lane Numbers: All competing boats shall carry a numbered disc showing the lane number in which it will race in each event. Lane number discs will be supplied by the Regatta Officials at the Wendouree-Ballarat Rowing Club and the adjacent launching area, and must be returned to them immediately upon the return of each crew to the launching area.

Scratchings: Scratchings shall be notified at the Secretary's Office located inside the Wendouree-Ballarat Rowing Club not less than one hour before their respective event.

Substitutes: Substitutes in any crew shall be notified to the Regatta Official at the Secretary's Office in Wendouree-Ballarat Rowing Club, and shall be made in accordance with regulation 5.10(i).

Starting Times: Competitors must be in their starting positions at least two minutes before the time laid down for the start of their event.

Late arrivals: The Starter may warn or exclude from the race any crew arriving at its starting position less than two minutes before the scheduled starting time. A warning has the same effect as one given for a false start.

Starting Procedure: As soon as the Judge at the start indicates that the boats are properly aligned by raising a white flag, the Starter raises a red flag — the Starter shall give the warning command "ARE YOU READY" and, after a clearly marked pause, the starting command "GO" at the same time lowering the red flag to one side.

False Start: If a crew starts too soon, the Starter stops the race by ringing a bell and then waving a red flag. In the case of a false start the Starter warns the offending crew or crews. A crew causing two false starts shall be excluded from the race.

Equipment Damage: If a crew while still on the first 100 metres of the race indicates that it has suffered damage to its boat or equipment, the Starter or Umpire stops the race. The signal by an Umpire to stop the race shall be by ringing a bell and waving a red flag.

Umpires Directions: The Umpire may not steer a crew unless there is an obstacle in its lane. If a crew is about to impede another by its wash or by leaving its lane, the Umpire raises a white flag and calls the crew at fault, indicating the required change of direction by lowering the flag to one side. If a crew is about to cause a collision, the Umpire may call its attention by raising the white flag and stop it by giving the command "STOP". Crews interfering with their opponents may be excluded from the race.

Finish: The Judges at the finish shall indicate the crossing of the line by the winning crew and each other crew in the race by sound signal.

Coxswains: Coxswains shall weigh in at the Ballarat and Clarendon College Boat Club at 6.00 p.m. on Tuesday, 9th April, 1985, or not more than two hours and not less than one hour before their first race in the regatta.

Lightweight Competitors: Lightweight competitors shall weigh in at the Ballarat and Clarendon College Boat Club not more than two hours and not less than one hour before their first race on each day of racing.
