BRISBANE SCHOOLGIRLS' ROWING ASSOCIATION

## **HEAD of the RIVER**

**LAKE WIVENHOE  
30 AUGUST**

**Programme \$3.00**

## **WELCOME FROM THE CHAIRMAN**

The Brisbane Schoolgirls Rowing Association and Rowing Queensland welcome guests, parents, friends and competitors to the 1997 "Head of the River".

Schoolgirl rowing continues to grow in popularity. In response, the BSRA has again expanded the program to accommodate this growth. In only 8 short years schoolgirl rowing has more than doubled in size, making it one of the most popular sports among member schools.

The "Head of the River" is the primary goal of every crews preparation. Today is the culmination of many months hard work for athletes, coaches and coordinators.

The lead up regattas this year have produced more competitive racing than ever across all schools. This has been evidenced by the wide spread of results and only one crew remaining unbeaten in the lead up regattas.

We look forward to an exciting day of racing which I am sure will be fought out in the same friendly rivalry and spirit that has been evidenced in the lead-up regattas.

We wish all competitors a successful and enjoyable regatta.

Damon Stokes  
Chairman

# HISTORY OF THE B.S.R.A.

The Inaugural Schoolgirls' Head of the River was held on the Brisbane River on October the 13th 1990. The seven schools that competed were All Hallows', Brisbane State High School, St Aidan's, St Hilda's, St Margaret's, St Peter's and Somerville House. Sixteen events were competed that year and the Open Eight had three entries.

In 1991, the newly formed Brisbane Schoolgirls Rowing Association organised the Head of the River. By 1992, the number of entries in the Open 8+ had doubled to six.

1993 saw the dominance of Brisbane State High School and Somerville House in the Open 8+ broken for the first time. Brisbane Girls Grammar became the first school to win an Eight's race outside of State High and Somerville. Since then, two more schools have joined these ranks with St Margaret's and All Hallows having recorded wins in lead up regattas. This year saw the first presentation of the Grummitt family Trophy for Open First Eights and was presented to Brisbane State High School.

In 1994, the Head of the River Regatta was held for the first time on Lake Wivenhoe. Eleven schools competed that year.

In 1995, insufficient water at Lake Wivenhoe meant that the Head of the River was moved to Hinze Dam. 1995 also saw the beginning of a development plan to change younger crews across to Quad Sculls. This move was made to provide girls with a better technical and physiological development. This year also saw the first presentation of the Aggregate Trophy for the most successful school and was presented to Somerville House.

1996 saw the full implementation of the BSRA development plan with Year 8, Under 14 and 15 girls all competing in Quad Sculls. This has produced competitive and high quality racing across these groups. The inaugural presentation of the Percentage cup based on school population was made to Somerville House. All Hallows' achieved their first Head of the River victory in the First VIII, while St Margaret's won the the Aggregate cup for the first time.

In 1997, we see a further surge in the strength of Brisbane Schoolgirl Rowing with more events than ever and over 600 competitors in today's racing. The entries in the Open 1st VIII have tripled since the first year and many past and present competitors have gone on to successfully represent their State and Country.

# A GUIDE TO ROWING

- 1x **Single Scull:** The smallest boat used. Rowed by one sculler using 2 oars (sometimes called sculls)

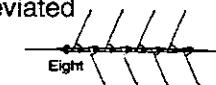

- 4x **Quadruple (Quad) Scull:** Four scullers each using 2 oars. In schoolgirl competition, this boat is coxed but at club and elite level is coxless.

- 4+ **Coxed Four:** Four rowers each using one oar. In school rowing this boat is always coxed. Sometimes abbreviated using Roman numerals as "IV".

- 8+ **Coxed Eight:** Eight rowers each using one oar. Traditionally the "Blue Ribbon" event of rowing. Sometimes abbreviated using Roman numerals as "VIII".

## What to look for in a good crew:

**Continuous motion.** Rowing should be a continuous and fluid motion.

**Synchronisation.** Rowers strive for perfect timing in all actions.

**Clean blade work.** Blades going in and out of the water should throw up as little water as possible. The spoon will be close to the water between strokes.

**Easy looking movement.** Good rowers will not look like they are working hard when they are racing.

## Race distances:

In Brisbane schoolgirl competition, distances raced are:  
Eights - 2000m  
Fours, Quads and Singles - 1000m

In still weather conditions, Schoolgirl Eights will cover the distance in sub-seven minutes. Age group Single sculls, Fours and Quads will vary between about 3 minutes and 30 seconds to about 4 minutes and 30 seconds for the 1000m distance.

## Oars

Oars currently in use are a fibre-glass/carbon fibre construction. They are either symmetrical or assymetrical in shape. Sculling oars are shorter and have a smaller "spoon" area.
