**WELCOME
FROM THE CHAIRMAN**

The Brisbane Schoolgirls Rowing Association and Rowing Queensland welcome guests, parents, friends and competitors to the 1998 "Head of the River".

In only 9 years schoolgirl rowing has more than doubled in size, making it one of the most popular sports among member schools. Over 800 competitors will take part in front of an anticipated 6000 spectators.

The "Head of the River" is the primary goal of every crews preparation. Today is the culmination of many months hard work for athletes, coaches and coordinators. In just a few minutes of racing the past six months of dedication to the sport will be displayed.

The lead up regattas this year have produced more competitive racing than ever across all schools. This has been evidenced by the wide spread of results and very close racing seen at the last lead-up regatta.

There will be a wide variety of emotions displayed across competitors today ranging from disappointment to elation. However, tomorrow the 1998 Head of the River will already be history and all crews can be proud of their contribution to their school while experiencing and learning more than those who have never taken part. We look forward to an exciting day of racing which I am sure will be fought out in the same friendly rivalry and spirit that has been evidenced in the lead-up regattas.

On behalf of all member schools I wish all competitors a successful and enjoyable regatta.

Damon Stokes
Chairman

HISTORY OF THE B.S.R.A.

The Inaugural Schoolgirls' Head of the River was held on the Brisbane River on October the 13th 1990. The seven schools that competed were All Hallows', Brisbane State High School, St Aidan's, St Hilda's, St Margaret's, St Peter's and Somerville House. Sixteen events were competed that year and the Open Eight had three entries.

In 1991, the newly formed Brisbane Schoolgirls Rowing Association organised the Head of the River. By 1992, the number of entries in the Open 8+ had doubled to six.

1993 saw the dominance of Brisbane State High School and Somerville House in the Open 8+ broken for the first time. Brisbane Girls Grammar became the first school to win an Eight's race outside of State High and Somerville. This year saw the first presentation of the Grummitt family Trophy for Open First Eights and was presented to Brisbane State High School.

In 1994, the Head of the River Regatta was held for the first time on Lake Wivenhoe. Eleven schools competed that year.

In 1995, insufficient water at Lake Wivenhoe meant the Head of the River was moved to Hinze Dam. 1995 also saw the beginning of a development plan to change younger crews across to Quad Sculls. This move was made to provide girls with a better technical and physiological development. This year also saw the first presentation of the Aggregate Trophy for the most successful school and was presented to Somerville House.

1996 saw the full implementation of the BSRA development plan with Year 8, Under 14 and 15 girls all competing in Quad Sculls. This has produced competitive and high quality racing across these groups. The inaugural presentation of the Percentage cup based on school population was made to Somerville House. All Hallows' achieved their first Head of the River victory in the First VIII, while St Margaret's won the the Aggregate cup for the first time.

Schoolgirl rowing came of age in 1997 with a standard of competition previously unseen in Brisbane. Eight of the nine schools achieved wins, while St Margaret's retained the Aggregate trophy and won the First VIII for the first time.

In 1998 we are again seeing a very high standard of racing, with many closely fought finishes. We are also starting to see many past students filtering into the coaching ranks. A healthy sign for the future of schoolgirl rowing in Brisbane.

A GUIDE TO ROWING

- 1x **Single Scull:** The smallest boat used. Rowed by one sculler using 2 oars (sometimes called sculls)

- 4x **Quadruple (Quad) Scull:** Four scullers each using 2 oars. In schoolgirl competition, this boat is coxed but at club and elite level is coxless.

- 4+ **Coxed Four:** Four rowers each using one oar. In school rowing this boat is always coxed. Sometimes abbreviated using Roman numerals as "IV".

- 8+ **Coxed Eight:** Eight rowers each using one oar. Traditionally the "Blue Ribbon" event of rowing. Sometimes abbreviated using Roman numerals as "VIII"

What to look for in a good crew:

Continuous motion. Rowing should be a continuous and fluid motion.

Synchronisation. Rowers strive for perfect timing in all actions.

Clean blade work. Blades going in and out of the water should throw up as little water as possible. The spoon will be close to the water between strokes.

Easy looking movement. Good rowers will not look like they are working hard when they are racing.

Cleaver Sculling Oar

Cleaver Rowing Oar

Macon Rowing Oar

Race distances:

In Brisbane schoolgirl competition, distances raced are:
Eights - 2000m
Fours, Quads and Singles - 1000m

In still weather conditions, Schoolgirl Eights will cover the distance in sub-seven minutes. Age group Single sculls, Fours and Quads will vary between about 3 minutes and 30 seconds to about 4 minutes and 30 seconds for the 1000m distance.

Oars

Oars currently in use are a fibre-glass/carbon fibre construction. They are either symmetrical or assymetrical in shape. Sculling oars are shorter and have a smaller "spoon" area.

PRESENTATIONS

Trophies, Pennants and Certificates will be presented near the judging tower at the completion of the racing.

Prizes to be presented today:

Aggregate Cup:

Awarded to the school with the best overall performance. The school with the most number of points accumulated by the completion of racing will win this trophy. Points are allocated from first to last place. Therefore, competing and finishing last will still benefit the points tally of the school.

Percentage Cup:

Presented to the school with the largest number of points per head of school population. The aggregate points total is divided by the number of year 8 to 12 female students in the school.

Open First VIII's trophy donated by the Grummitt family:

This trophy is presented to the winner of the Open First VIII's race.

Pennants:

These will be presented to all winning crews and coaches.

Certificates:

2nd and 3rd placed crews and coaches will all receive certificates.

Special Thanks

To all Life members and special guests
who will present these awards today.
