In 1987, the Third VIII and Girls' First and Second Fours events were extended from 800 metres to 1500 metres. In 1991 the Boys' Fourth and Fifth Eights and Girls' Third Four were extended from 800 metres to 1500 metres.

A BRIEF HISTORY OF THE RACE

In 1868, John C. Field, on behalf of Mr. Morrison's pupils at Scotch College, challenged Dr. Bromby's pupils at Melbourne Grammar School to a "friendly four oar gig race to be rowed from the Botanical Bridge to Edward's Boathouse (Princes Bridge)". Recent research about this race on the Yarra has shown the Scotch Crew was stroked by J. Brady (not John Field as previously stated). On the 18th June Scotch won the race and since then the "Head of the River" race, as it is now known, has been contested every year. The race was first rowed on the Barwon in 1879 and then every fifth or sixth year until 1916. Between 1921 – 1943 the Barwon saw it every fourth year and since 1948 the only use of the Yarra was in 1957 when Geelong College won. During world War 2 the Geelong Schools rowed a heat on the Barwon and the four Melbourne Schools rowed heats on the Yarra. These races were held after school, the winners met on the Yarra to decide the title except in 1943 when restrictions on travel were in force. From 1868 to 1897 racing was in fixed seat, four oared gigs, from 1898 to 1900 in sliding seat single streak outriggered fours and from 1901 to 1918 in sliding seat clinker built eights. Shells have been used since.

Scotch College has been represented every year, gradually other schools have joined in, the most recent being Haileybury College who entered the First Eight event for the first time last year.

The first cup for competition was presented in 1875 by the Hon. T. J. Summer, to become the property of the school which should first win it three times. Scotch College won it in 1875, 1876 and 1879 and have retained it since that date.

In 1911 Mr. C. Fairbairn presented the Challenge Cup and the winners of this handsome trophy and previous "Winners of the Race", as it was known then, are listed in this programme.

The Head of the River races have weathered such difficulties as flooded rivers, disputes over ages, dead heats, disqualifications, the accidental drowning of a crew member during training and even the inability of a school to round up enough rowers to boat a crew.

Before World War 2, only the first crew of each school took part in the Head of the River Regatta, but there was a race for second crews and sometimes third crews raced on the Saturday prior to the Head of the River race.

In the early part of the century the race was held in October, but later it was moved to May and after World War 2 to April. When the race was in October it was possible for a boy to represent his school in Football, Cricket, Rowing and Athletics in the one year, as the latter were held in May after the Cricket season had ended.

The Schools also now take part in a number of V.R.A. Regattas during Term One, including those at Ballarat, Carrum, Geelong, Footscray and the Yarra at Melbourne while the Junior Crews compete in V.R.A. and A.P.S. School Regattas and the A.P.S. Junior Regatta.

Repechages are used for all boys' crews to give losing crews in the heats a chance to row in the Division A Final. Too often, in the past, two of the best crews have been in the same heat. All crews now row over 1500 metres in racing boats.

Each year the A.P.S. Delegates' Committee invites winning 1st crews of 40 and 50 years ago to the Regatta. This year representatives of the winning 1942 Wesley College and 1952 Scotch College crews are here as guests.

ASSOCIATED PUBLIC SCHOOLS HEAD OF THE RIVER REGATTA 1992

Please Note -

The finish area of the South Bank, upstream from the Moorabool Bridge, will be closed to vehicles. This is a dry area and no alcohol will be allowed. This has been decided so that the great majority of spectators may enjoy the Regatta. The car parking areas are on the Belmont Common, behind the Dry Area, the Barwon Valley Reserve and the North Bank. There is no parking along the Road south of the river, or in Barrabool Road. Barrabool Road between the Princes Highway and the Barwon Valley Reserve will be closed on Saturday until 2.00 p.m.

Parking in the Barwon Valley Reserve gives access to the River Bank between the McIntyre and New Bridges. \$10 per car.
