W E L C O M E

Welcome to the competitors, coaches and supporters in this Sixth Annual Head of the School Girls' Regatta, this year on the Barwon River. Not only is this a happy and exciting time but it is also an important event for women's rowing. In the past, nearly 75% of Australia's women rowers have emerged from this Head of the School Girls' competition.

This year we have 157 crews competing, 143 fours and 14 eights. There are 26 schools involved.

While rowing is a relatively new sport in schools, the support given to this day is evidence of the big future that is ahead for this sport in girls' schools. A special thank you to all who have been inspirational in setting up this Regatta, to those that have given their time to plan for and supervise the event, and for those who have come to support the rowers and rowing.
