Dear PSA Community

I extend on, behalf of each the member schools, a welcome to the 2015 PSA Rowing Season.

The sports program across all of the PSA competitions and fixtures provide opportunities for boys to engage in physical activity at different levels of performance. Boys learn so much through their participation in their chosen sport that is a part of their education.

To be able to experience sport in an environment that encourages personal excellence and respect of others and rules adds another dimension to a boy's educational journey.

The boys in each of the schools in the PSA appreciate the ongoing support of their parents, teachers and coaches which make the Head of the River such a great event.

I wish each of the competitors well for their involvement in this event.
