Dear PSA Community

On behalf of all of the PSA Heads of Schools, it gives me great pleasure to welcome you to the 2017 PSA Rowing Season.

The historic PSA competition enables our students to participate in a wide range of sporting events that provide the opportunity to compete at a high level, whilst maintaining a focus on sportsmanship, teamwork, co-operation, participation, personal excellence and promoting a sense of community and service.

Whilst it is important that we provide the opportunity for students to excel at their highest level in their chosen sports, it is equally important that we cherish the educational value provided through the wide range of fixtures and the collegiality developed between our member schools.

The boys competing today would not have this opportunity without the significant input and support from their coaches, teachers and families.

Thank you for this most valued support and best wishes to all students participating.
